

BOB ODOM

COMMISSIONER OF AGRICULTURE & FORESTRY

I am pleased to again offer a directory which lists the availability of hay for sale around the state of Louisiana.

The directory is designed to be a valuable tool to both the buyer and the seller of hay. The report is issued only as a guide with no discrimination or endorsement implied. The contents are by no means the only hay available in Louisiana, but rather a quick reference guide to all participating individuals. All hay listed in the directory is represented on good faith of the producer and all inquiries and transactions will be made directly between the buyer and seller.

We also have this directory on our website at www.ldaf.state.la.us in the trade directories published by the office of Marketing.

It is our desire that the Louisiana Department of Agriculture & Forestry's Hay Directory will be of benefit to you.

Sincerely,

Bob Odom
